POWDER BROWS

A tattoo technique used to create filled in looking brows
This means that once the procedure is complete your brows will look like you have gently filled them in with a brow pencil!

This technique is perfectly suited to all skin types and fades beautifully over time. We can create the perfect brow for you, whether to you that means thin & natural or thick & dramatic, it's completely up to you!
Touch ups are done annually or to your preference

INITIAL SESSION | R 1 500

6 WEEK TOUCH UP | R 850

ANNUAL TOUCH UP | R 1000

MICROBLADING

This technique creates hair strokes within the brow, it creates full, very natural looking brows and is suited only to those with dry skin.
We can correct unevenness of your brows while delivering a beautifully natural effect!

Touch ups are done every 6 months to 1 year
